Chairman Donald Denise
Board of Fire Commissioners-Parsippany District #2

Since this fire company has upgraded our defibrillator's, so all are the same.
I am requesting that the old heart start defibrillator's made by Phillips be given to a fire company in Morris County. Cedar Knolls Fire Company in Hanover Twp. Use the same type and these would be added to their bicycle units.

If approved by the board of fire commissioners, a hold harmless letter would be sent.

Respectfully Submitted,

Russ Greuter
